precious than
gold . . .**

Katie Orr, Speaker, writer and Bible coach Southern California was home before I packed my bags and moved cross-country to Auburn, Alabama to attend college. Though I grew up in private Christian schools, it was at Auburn University where my spiritual life became a personal pursuit. Before then I thought Christianity was a bunch of do's and don'ts. Through the discipleship ministry of Cru, I began to understand the how's and why's of Christianity;. How do I study my Bible and share my faith? Who do my decisions make a difference in my relationship with God? Why is reading the Bible so important?

God's grace continues to carry me as I learn to walk intimately with Him. Through depression, grief and everyday craziness, He has proven Himself faithful.
